PROFESSIONAL SUMMARY

UI/UX Designer with 2 years of experience creating clean, user-focused management system, web and mobile interfaces, specializing in Figma, responsive design, and conversion-driven layouts. Skilled in design systems, user flows, and delivering developer-ready designs for real-world projects. Seeking to contribute to impactful product design while growing in a collaborative, product-focused environment.

PROFESSIONAL EXPERIENCE

UI/UX Designer

Astral Developers

Mar 2024 – Sep 2024 | Karachi, Pakistan

Supported UI/UX design for live projects, creating wireframes, prototypes, and visual assets using Figma. Assisted in research, UI components, and client presentations while collaborating with the design team.

Achievements:

- Contributed to live project designs
- Recognized for quick learning and strong attention to detail

UI/UX Designer

Mean3 Pvt Ltd

Oct 2024 – Jun 2025 | Karachi, Pakistan

Designed **e-commerce websites and mobile apps** with a focus on conversion-driven UX and modern UI. Collaborated with developers for smooth handoff and built **responsive layouts, prototypes, and design systems**.

Achievements:

- Delivered designs for brands like **TCS, MTJ, SOGO, Dhoraji (app) and Wheelrack (Canada)** etc.
- Improved **user engagement and checkout conversions**
- Built scalable design systems for consistency and faster development

UI/UX Designer

Zeroweb

Jul 2025 – Present | Melbourne, Australia (Remote)

Designing **web, mobile, and branding assets** for global clients, focusing on **user-centric, conversion-focused design**. Creating **landing pages, UI systems, and marketing visuals** while ensuring consistency and performance.

Achievements:

- Designed high-converting **landing pages and digital products**
- Enhanced **brand visuals and user experience** across projects
- Delivered **developer-friendly, responsive designs** for global clients
